Whether you stay classic with our purple Argyle pair of **baby socks** or choose to liven it up with a little combo of stripes & dots both pairs look fantastic with a pair of BabyLegs. The argyle pattern criss-crosses with shades of amethyst, chocolate brown and orchid purple and is completed with a chocolate brown, toe and heel with a brown gripper. Our multi-stripe and dots design has a solid purple background layered with stripes at the ankle and covered with our multi-colored confetti inspired dots.

All BabyLegs socks have **grippers** on the bottom. These socks coordinate with the Modish BabyLegs collection.
